JUST IMAGINE

When your clients demand high-quality, large format printing, tell them you've got them covered. whether for:

- ALUMINIUM
- STAINLESS STEEL
- GLASS
- WOOD
- CERAMIC
- MANY PLASTICS

INCREDIBLE VERSATILITY

Perfect for sign makers, interior designers, marketing and communication agencies - panels printed by our large format, near photo quality print modules are ideal for a myriad of uses including:

- ARCHITECTURAL DESIGN (INT & EXT)
 - ADVERTISING SIGNS
 - COMMUNICATIONS
 - MARKETING DISPLAYS
- BATHROOM AND SHOWER WALLS
- KITCHEN SPLASHBACKS

AMAZING FLEXIBILITY

We've combined our Swiss-designed, large format, flatbed print modules with a wide range of specialty inks including for:

- SUB-SURFACE ALUMINIUM
- HARD SURFACES
- AQUEOUS
- SOLVENT
- ECO-SOLVENTS
- DYE-SUBLIMATION &
- UV

Our interchangeable print modules also allow for changing inks/media between jobs on the one flatbed thus saving you time, space and money!
